PRINCIPALS OF PUBLIC ELEMENTARY AND HIGH SCHOOLS

County units are printed in bold face capital letters, whereas city units are indicated by black face capitals and low-case. The number of teachers and principals includes all teachers employed.

Under "Classification" the year given is that of the initial year of continuous accreditation. Accredited schools are designated by the letters "Acc.". The rating is for the school year ending June 30, 1946. "R" indicates recognition of schools which have met all requirements for accreditation except number of teachers. All schools not rated are classified as non-standard and hence are indicated by ruled lines (—) in the classification columns. Where an elementary or high school is operated independently the other columns are indicated by leader lines (.....). In the case of high schools an asterisk (*) denotes membership in the Association of Colleges and Secondary Schools of the Southern States. For Negro schools the asterisk (*) indicates approval by the Southern Education Association.
